

Team Building... transform staff and students.

Principals:

- Invest a day focusing on how to create a caring, cooperative context for learning—and reap the benefits for your entire school.
- Reduce the psychological and emotional distance between staff members and instill a sense of belonging.
- Allow the group to rediscover unity, fun and conflict resolution.

The Staff will:

- learn their learning styles.
- discover their unique intelligence.
- build trust.
- understand and appreciate others point of view.
- feel respected and appreciated.
- develop synergy.
- meet their needs for security and belonging.
